MEMORANDUM FOR THE RECORD

Morning Meeting of 13 September 1968

The DD/I reported that he had the talking paper for the Director's use at USIB this morning. The Director indicated that he would meet with the DD/I and the Deputy Director immediately following the Executive Committee Meeting.

25X1 Godfrey noted that [redacted] would be drafting a paper on the Soviet Leadership which would be ready late Monday.

D/ONE noted that the estimate on the Chinese Communist ICBM Program would be ready for USIB next Thursday.

Carver reported on a meeting he had with Katzenbach yesterday. He noted that Walt Rostow was presently concerned with the problem of land reform in Vietnam.

Maury noted that the Director would be appearing before the Senate Appropriations Defense Subcommittee on either Monday or Wednesday. At the request of the Director, he read a list of the members of that Subcommittee.

25X1 [redacted]

The Deputy Director suggested that the first item on the USIB Agenda this morning would be the question of the classification of satellite photography. The Director agreed.
